DIRECT-TO-CLOUD SURVEILLANCE

Eagle Eye Camera Direct Cabinet System Data Sheet

Add video surveillance anywhere – connect to the cloud with no wired internet or power

Key features:

✓ **Remote access**
Access a full resolution stream of live and recorded video from anywhere in the world.

✓ **Notifications**
Receive alerts and immediately respond with notifications to detected activity in real time.

✓ **Artificial Intelligence**
Alert on people or vehicle detection with cloud-based AI features like Smart Video Search and AI Filtering.

✓ **Secure transmission and storage**
Eagle Eye Complete Privacy Encryption(™) technology encrypts and ensures that video is private and secure.

Eagle Eye cloud video surveillance without any wires

Camera solutions for customers that need video surveillance without accessible power or network. Eagle Eye Camera Direct Cabinet Systems connect directly to the Eagle Eye Cloud with wifi or cellular option. The Eagle Eye "Anywhere" Camera Direct Cabinet System also includes a solar battery and controller to connect to a solar panel.

APPLICATIONS FOR EAGLE EYE CAMERA DIRECT CABINET SYSTEMS

Provide surveillance for areas that have available power but no internet including large parking lots that deploy security trailer systems.

- Parking or perimeter areas with available power
- Industrial - power infrastructure, oil and gas, water treatment facilities
- Commercial - warehouses and lots, equipment/fleet parking

APPLICATIONS FOR EAGLE EYE "ANYWHERE" CAMERA DIRECT CABINET SYSTEMS

Add security in remote locations where power and internet is not feasible including property perimeters and agricultural sites. Curb illegal dumping, theft, and other criminal behavior.

- Parks and outdoor recreational facilities
- Construction - site surveillance and perimeter security
- Property Management - parking lots, gates, dumpsters
- Farming and cannabis - fields, greenhouses, and equipment storage

Part numbers:

Eagle Eye Camera Direct Cabinet Systems are available with an
Eagle Eye Bullet Camera (DB13) or Dome Camera (DDO8)

EN-SS210wc-1DB13	Eagle Eye Camera Direct Cabinet System DB13 Wifi+Cellular
EN-SS210wc-1DD08	Eagle Eye Camera Direct Cabinet System DD08 Wifi+Cellular
EN-SS212wcs-1DB13	Eagle Eye "Anywhere" Camera Direct Cabinet System DB13 Wif-i+Cellular. Solar Power Battery. The solar panel, cellular data plan subscription, and cellular modem management subscription are not included - part numbers below.
EN-SS212wcs-1DD08	Eagle Eye "Anywhere" Camera Direct Cabinet System DD08 Wifi+Cellular. The solar panel, cellular data plan subscription, and cellular modem management subscription are not included - part numbers below.
EN-SZ001	Eagle Eye "Anywhere" Solar Panel SZ01 100W w/Pole Mount

EN-M40-12	Eagle Eye VMS M40 Cellular Modem MM01 Management Yearly
EN-M40-36	Eagle Eye VMS M40 Cellular Modem MM01 Management 3Yearly
EN-M40-60	Eagle Eye VMS M40 Cellular Modem MM01 Management 5Yearly
EN-DPMM-001-1	Eagle Eye Cellular Modem Data Plan NA U001 for MM01 Monthly
EN-DPMM-001-12	Eagle Eye Cellular Modem Data Plan NA U001 for MM01 Yearly
EN-DPMM-001-36	Eagle Eye Cellular Modem Data Plan NA U001 for MM01 3Yearly
EN-DPMM-001-60	Eagle Eye Cellular Modem Data Plan NA U001 for MM01 5Yearly

Solar panel must be properly mounted and not blocked by trees or other items that will shadow it. Camera will achieve 99% recording in areas with strong sunlight. Northern areas with large snowfall will have lower performance and may need a second solar panel.

All Cabinet Systems are available as Eagle Eye Complete subscriptions

Eagle Eye Complete subscriptions eliminate upfront capital costs and include Lifetime Repair and Replace. Bundle all you need and gain peace of mind with an Eagle Eye Complete subscription. Complete subscriptions include all needed hardware, the cellular modem management subscription (M40), and cellular modem data plan subscription (DPMM-001). Camera subscriptions are not included
